Fried Society Press, United States, 2012. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Award-winning TV writer and filmmaker Casper Kelly brings his hilarious, absurdist, and dark vision to the page in this debut collection, perhaps the first with a horror host guiding you between the stories. Enter the mind of one of the seven dwarfs wrestling with his fevered sexual crush on Snow White. In another story, a cash-strapped elderly man in the future is quietly pressured to retire by having his brain put in a vat and live out the rest of his day in a virtual reality paradise. Sex Fantasies at Work follows an office drone who suspects he's always at work and his entire home life is merely implanted memories. Read what Charles Yu calls one of the funniest books I've read in years, what Jack Pendarvis likened to Donald Barthelme by way of E.C. comics, and Joe Randazzo, the editor of The Onion, calls simply f\*\*\*ing awesome.
