Createspace, United States, 2010. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.I know a spell that can get the dragon to disappear. It took me one day to find out, all we need is dragon fire, a dragon scale, and a dragon tooth. And our problems will be solved. But there s one problem I m to small to even carry anything, so that means you will have to do it, or have someone else to do it. But it will have to be someone that the dragons know and trust. If that s too much for you I can have my cousin do it, he s a shape shifter, it will be the best plan ever. Ha ha ha ha ooh. I m about to tell you a little about Walter Mouse s past: Six years has past since the evil black dragon attacked the whole Wizard race. Walter s master was the boss of the Wizard s Kingdom. Walter and his master were the last until Walter s master Sacrifice himself to save the little infant Walter Mouse. Master and dragon were both killed. The Dragon could not see Walter because he was way to tiny only small creatures like Fairies, Wizards, Unicorns, Ogres, Magical Hippies, and other small creatures. Walter is the only Mouse that s a Wizard, so he thinks. There are three Wizards and they are Mouse, two good, and one evil and will soon become good at the end. Walter s Bear friend Phillip he will teach Walter everything that Marcus taught him. The story isn t about the powerful Wizard Walter Mouse but every creature and living thing.
