WW Norton & Co. Paperback. Book Condition: new. BRAND NEW, The Ambassadors (2nd Revised edition), Henry James, S. P. Rosenbaum, The importance of these variants and the conditions under which the novel was written and revised-conditions leading to the continuing controversy over the order of the chapters-are discussed in the editor's rewritten and updated essay on editions and revisions of The Ambassadors. As often as possible, the annotations to the text have been made by referring to James's other writings. A map of Strether's Paris and a virtually unknown photograph of James, which originally appeared with the serial of The Ambassadors, have been added to this Second Edition, and the original frontispieces to the New York Edition of the novel have been reproduced in their proper sequence for the first time. "The Author on the Novel" contains James's notebook entries on the inspiration for The Ambassadors as well as the long, remarkable preliminary statement that the author drew up before writing his novel. The selection of James's letters on The Ambassadors has also been expanded for the Second Edition. "Criticism" is comprised of fourteen essays that represent more than seventy years of analysis of The Ambassadors, by H. M. Alden, Percy Lubbock, E. M. Forster, F. O. Matthiessen, F. R. Leavis, Joseph Warren Beach, Joan Bennett, Leon Edel, Ian Watt, Sallie Sears, Nicola Bradbury, Maud Ellmann, Millicent Bell, and Philip Fisher. A Chronology and an expanded Selected Bibliography are also included.
