John Blake Publishing Ltd. Paperback. Book Condition: new. BRAND NEW, With a Gun in My Hand, Albert Donoghue, Martin Short, When Reggie Kray shot Albert Donoghue from behind the bar, Albert learned that the Twins meant business. The hit was intended to avenge a loose remark, and also to test Albert's loyalty to the underworld code of silence. It was a test that Albert passed admirably. And so he became Reggie's right-hand man, his minder and chief executive. But when the Krays were arrested, they made one of their most dangerous mistakes. They told Albert to admit to a crime he had not committed: the killing of Frank Mitchell. Albert, who had become increasingly appalled by the violent turn the Twins' business affairs had been taking, testified against them. His evidence landed the Krays thirty years, but Albert and his family were sentenced to a lifetime of watching their backs. In this explosive book, Albert Donoghue reveals the shocking events he witnessed - it is the inside story of the Krays from a radically different standpoint. It sensationally charts the rise of the country's most notorious criminals, and their final descent into self-destruction. This is a book that will change the Kray myth forever.
