RETELLING THE STORY

CSS Publishing Company, United Kingdom, 2005. Paperback. Book Condition: New. 208 x 132 mm. Language: English . Brand New Book ***** Print on Demand *****.Is the typical didactic sermon still an adequate vehicle for communicating essential biblical truth? In this provocative and enlightening volume, Larry Lange contends that story sermons are a far more effective way to proclaim the Good News in a modern world that largely communicates through narrative-driven multimedia spectacle. The powerful stories in the Bible don't need to be turned into morals or ideas to convey the gospel. But because they were composed in a radically different cultural context, they may require additional explanation or interpretation to make them relevant for contemporary audiences. So how can a preacher add narrative elements to these stories without diminishing their dramatic impact or changing their meaning? *Retelling The Story* outlines an innovative process for retelling biblical stories that utilizes fictional elements and contexts yet remains faithful to the scriptural text. Several creative and homiletical issues are comprehensively examined, and six sample sermons are included to illustrate various aspects of this process at work. Inject exciting new life into the old, old story with this primer for developing dramatic sermons that touch hearts and minds and souls. Lange's book is very well connected to recent homiletical literature, is well researched, deeply biblical, and creatively challenging. Parish pastors will benefit from this clear and brief presentation of biblical retelling. Richard A. Jensen Carlson Professor of Homiletics emeritus Lutheran School of Theology at Chicago Larry Lange and his wife, Julie Wrubbel-Lange, serve as the pastors of Grace Lutheran Church in Green Bay, Wisconsin. Lange is a graduate of Carthage College (B.A.), the University of Wisconsin-Milwaukee (M.A.), the Lutheran School of Theology at Chicago (M.Div.), and the Association of Chicago Theological Schools...
