And I wanted to teach good lessons for them. This book is a compilation of the Money wisdom from many other books and blogs. For this book, I worked like a curator in the museum, and it was very enjoyable process. I wanted this book to be a practical guide for the young. It was not meant to be spiritual pep talk nor success preaching. The contents are not my personal opinions, so it doesn't matter who I am. What matters is the usefulness of the contents of this book, and how you use the contents in the Game of Money in your life. What you choose and do count. Good luck.
