Then, over a long time, the people descended from these three multiplied so much that the land couldn t support them all. So they selected every third person by lot to leave, with the right to keep and take away with them everything they owned except for their land. They were unwilling to leave then, but went to instead Torsburgen and settled there. But afterwards the country (i.e. Gotland) would not tolerate them, and drove them away. - Jordanes, The Origin and Deeds of the Goths The birth of Europe as people know it today was hardly an easy and effortless process. The Old World was reshaped by centuries of continuous wars, raids, and the falls and rises of empires. The most turbulent of these events happened at the beginning of the Middle Ages, from the 3rd-7th centuries CE. This was the time when the old slave society gave way to the feudal system that marked the latter Middle Ages, and it was also a period of battles between the Roman Empire and various barbarian peoples. The Roman Emperors waged wars, made and broke alliances, and bribed and negotiated with chieftains of various barbarian tribes to preserve the territorial integrity of their Empires, but the razor-edge division between the civilized world of the Romans and that of the savages that threatened their borders was dulling with every decade. In fact, the constant...
