

Approaching the Hunger Games Trilogy: A Literary and Cultural Analysis

Filesize: 2.89 MB

Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.
(Prof. Loyce Runolfsson Jr.)

APPROACHING THE HUNGER GAMES TRILOGY: A LITERARY AND CULTURAL ANALYSIS

McFarland Co Inc, United States, 2012. Paperback. Book Condition: New. New.. 226 x 150 mm. Language: English . Brand New Book. This book addresses Suzanne Collins s work from a number of literary and cultural perspectives in an effort to better understand both its significance and its appeal. It takes an interdisciplinary approach to the trilogy, drawing from literary studies, psychology, gender studies, media studies, philosophy, and cultural studies. An analytical rather than evaluative work, it dispenses with extended theoretical discussions, academic jargon, and even footnotes. Assuming that readers are familiar with all three volumes of The Hunger Games, the book also avoids plot summary and character analysis, instead focusing on the significance of the story and its characters. It includes a biographical essay, glossaries, questions for further study, and an extensive bibliography.
