## CHILDREN HAVE RIGHTS

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The least honored and protected group of people on Earth for millennia has been children. Yet they have the same individual rights as us adults from the moment they take their first breath -- to find their own meaning in life, to pursue their pirate adventures. The only thing they MUST do is the same thing us adults must do: honor others rights to their own lives. This book provides proof that kids have rights, and it explains how those rights play out in a loving home, with the parents being the Oak Tree and using leverage to ensure that children do honor others. This new way of parenting means no more helicoptering, no more persuasion, no more anger, no more rules, no more rebellion by kids, no more tantrums, no more anxiety. Only freedom and happiness and mutual respect as we go from being primarily parents to Care-Friends. This new relationship creates a trusting friendship for life, with all parties being self-fulfilled (self-full), independent, honest, care-free and fair. When everyone in a home honors each other s rights -- the pursuit of happiness is the glorious pursuit of all.
