The Practical Guide to Feng Shui

By Gill Hale

Paperback. Book Condition: New. Not Signed; This title uses the ancient powers of placement to create harmony in your home, garden and office, shown in over 800 diagrams and pictures. It offers a full historical explanation of the origins and development of the ancient science of Feng Shui. It explains the principles and practice to create supportive environments to enhance your life, foster your health, improve relationships and encourage prosperity and fulfilling lifestyles. Over 800 photographs, floor plans and diagrams illustrate structural and design ideas for health, wealth and happiness. It offers practical advice on applying Feng Shui, from what to look for when moving house to adding minor details to your existing surroundings for maximum impact. This comprehensive illustrated guide to the powerful Chinese art of Feng Shui covers homes, gardens and offices. It will encourage you to discard everything that clutters your life by encouraging positive energy flows inside the home, and creating a nurturing garden based on natural forces. At work, you will find that relatively small changes can have instant impact. Over 800 illustrations, including commissioned photographs and easy-to-follow charts, show you how this increasingly popular ancient philosophy can be used in the modern world. It...
