BookBaby, United States, 2016. Paperback. Book Condition: New. 213 x 137 mm. Language: English . Brand New Book. I was six years old when we moved to Great Brook Valley in Worcester, Massachusetts. That was the name of the projects we lived in, Great Brook Valley. We called it the Valley for short. There were rows and rows of three-story brick apartment buildings with six apartments in each section. We lived at 15B, building 15, apartment B. It was a two-bedroom apartment. Our front yard consisted of cement landings and pavement. Each building had a cement stoop with just a few steps leading up to a cement landing at the entrance. There wasn't enough room for a chair or a potted plant, just enough to get yourself up into the building. A large, green-metal door with a broken lock was propped open with a heavy cement brick to allow easy access. Outside of our building, just about ten feet from our front doorway was a large fenced-in area with clotheslines running throughout. It was large enough for five buildings to share. Just beyond the clotheslines, you came to a parking area and two dumpsters. In the same direction, across the...
