Georgetown University Press, United States, 2006. Mixed media product. Book Condition: New. 223 x 152 mm. Language: Arabic,English . Brand New Book. A Basic Course in Moroccan Arabic is a textbook in spoken Moroccan Arabic that is written for beginners who are unfamiliar with the Arabic language, alphabet, pronunciation, vocabulary, and grammar. Written in Latinized transcription it is carefully designed to present these elements in a progressive, user-friendly, step-by-step manner. Following the initial pronunciation introductions and practice, there are 130 lessons consisting of a text where a small number of phrases and sentences illustrate grammatical points. These sections also contain exercises in new grammar and vocabulary. Each lesson is structured in a way that guides the learner naturally and comfortably into an understanding of the structure of Moroccan Arabic. From there, the course progresses into ninety-seven short, conversational dialogs that place the student in a variety of social situations. First introduced to Arabic language students in the 1960s, A Basic Course in Moroccan Arabic still has no equal for clarity and ease of use. An audio CD of MP3 files that further aid and enhance the lessons is now bound into this volume.
