TOUCHED BY BIPOLAR

AUTHORHOUSE, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.I find this book a beautiful piece of retrospective writing full of sensitive insight and tender descriptions. The introduction is quite breathtaking as an anticipation of the events that will come later and is also a glimpse into the author s thoughts and, especially, his character. The introduction is also important in the way that it starts the question about the arrogance of society in relation to the painful misfortune of a person enduring a so-called mental illness. Society lifts its shield of indifference in order to build its precarious opulence out of the pain of the mentally ill person. The episode with the girls in the bus leaves the impression of being at one with the author in being fully aware of the experience while being acutely conscious of his feelings and meanings. In another chapter I found myself dramatically touching his experiences as a schoolboy in England and the difficulties of learning and relearning the peculiarities of the culture and the feelings of vulnerability finding his place in a foreign country. The author shows a lot of courage enduring this moment in his life. Another one of my favorite chapters...
