For he must say it did appear to him a very unwise thing in a country where so large a portion of every man s income was taken from him for public purposes, to let each individual know the exact amount of his contribution. In some countries where a large quantity of blood is taken from the inhabitants, the vital principle is so adroitly subtracted whilst the sufferers are asleep, that they know not the exact number of ounces they have lost, but--and the knowledge is doubtless sufficient--only know themselves weak, enervated, unfit for labour. The vampire-bat is the tax-gatherer on these occasions. For we are told that the creature in the silence of night fixes itself upon the toes of the sleeper, and drinks and drinks its greedy draughts of blood; and while it drinks, benevolently fans its victim with its wings,...
