Throughout modern history, gays had thought of themselves as something like a mental illness or maybe a sin or a crime. Gay liberation allowed us to make the leap to being a minority group, which made life much easier. - Edmund White In 1969, America was still undergoing plenty of social turmoil, much of it the result of sweeping changes made via the Civil Rights Movement and the Vietnam War, which helped spark the counterculture. Protests were prominent across the country, and one of the movements galvanized during this time was on behalf of the LGBT community, who were often subjected to discrimination in all facets of life. However, LGBT rights were naturally on the backburner for most Americans at the time, and it's safe to say few considered them until hearing about the Stonewall riots that took place at the end of June 1969 in New York City. Given the discrimination, gay people tried to meet in secret gay bars, and it was common for police to try to bust up such gatherings, but on the night of June 28, the patrons at the Stonewall Inn had enough. As the police tried to line everybody in the bar up and identify them, the crowd hanging around the place began to swell, and tensions began to rise as there were increasing calls to challenge the propriety of the police action. As people sang We Shall Overcome and there were...
