The reader will explore why, despite how hard they try to succeed, they can still feel like a failure. Why does it seem that some people get all of the blessings, while others have all of the challenges? It s important to be able to explore your inner self so that you can proclaim your love for God and find your own inner peace. How can you best articulate your ideas in order to achieve your primary goals and objectives, to have a full and happy life? In addition, they will understand how to pursue their heart s desire and how to assist others to achieve their personal peace as well. The mark of a truly successful person is not what he has achieved, but how has he helped others to succeed. What is stronger: the foundation or the building?.
