Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

THE CHURCH IN AN AGE OF CRISIS: 25 NEW REALITIES FACING CHRISTIANITY

Baker Publishing Group, United States, 2012. Paperback. Book Condition: New. 214 x 140 mm. Language: English . Brand New Book. Knowing the signs of the times, and how then to live as people of faith, has never been more pressing for the church. Though many of the signs are disturbing, we ignore them at our great peril. Combining the very best attributes of a biblical prophet and a modern-day reporter, James Emery White offers a look at twenty-five realities facing the church--in the areas of belief, culture, marriage and family, media and technology, and mission--and how they affect us as individuals and as a body of believers. Functioning as both a telescope and a microscope, this hard-hitting examination of the future of the church looks into the vastness of the world and into the minute recesses of our hearts. White calls on thoughtful readers to sharpen their spiritual drive and determination in order to meet the challenges of our day--and the future. He calls us to look beyond the daily conflicts in order to see the much larger war in which we are engaged, so that we might play our vital role in preserving and growing Christ's church in the coming age.
