One Stone, United States, 2015. Paperback. Book Condition: New. 244 x 170 mm. Language: English . Brand New Book ***** Print on Demand *****.A Chronological Study of Matthew, Mark, Luke John A series of questions designed to guide a study of the life of Christ from His preexistence to his ascension in the order which they occurred. Mark Pape uses A.T. Robertson s classic outline on the Harmony of the Gospels to weave together the material in Matthew, Mark, Luke and John into one continuous study of the life of Christ. Careful consideration is given to put these events in chronological order. Studying the life of Christ in this manner, using a harmony of the gospels, gives a complete perspective to the events in His life. The reader understands the event and most likely the effect it had on those who witnessed it. Each lesson contains questions and Bible references.
