The Student s Essential Formula Book: 1st Edition

By John C. Sparks

AUTHORHOUSE, United States, 2004. Paperback. Book Condition: New. 223 x 147 mm. Language: English . Brand New Book ***** Print on Demand *****.Formulas, they seem to be the bane of every beginning mathematics student who has yet to realize that formulas are about structure and relationship- and not about memorization. Granted, formulas have to be memorized; for, it is partly through memorization that we eventually become unconsciously competent . This means we are a true master of our skill, practicing it in an almost effortless, automatic sense. In mathematics, this means we have mastered the underlying algebraic language to the same degree that we have mastered our native tongue. Knowing formulas and understanding the reasoning behind them propels one towards the road to mathematical mastery, so essential in our modern high-tech society. This book consists of three major sections. Section I-Formulas-contains most of the formulas that you would expect to encounter during the first year of college (and perhaps the second) regardless of major. In addition, there are formulas rarely seen in such compilations, included as a mathematical treat for the inquisitive. Section II-Tables-includes both pure math tables and physical-science tables, useful in a variety of disciplines ranging from physics to...
