Excerpt: . . . for application l1-y a good man at a stated price per square, is to announce in an advertisement that you are prepared to apply roofing, to give prices applied to roofs. Another way is to send the office man out on a door bell ringing trip occasionally with an attractive circular making known the fact that you can relieve house owners of the trouble of making a separate arrangement for roofing applied. The Recovering Business Always Worth Going After The largest business of course can be obtained by cultivating re-covering jobs over old shingles and for this purpose either design or pattern roll roofing or an asphalt shingle can be advertised and sold successfully. There are so many good reasons for applying roofing over an old shingle and the results have been so satisfactory in and around Chicago that most any roofing manufacturer will be willing to supply a dealer with very convincing literature. Another avenue of trade that the retailer very often overlooks is active co-operation with architects or contractors who draw plans and erect buildings in his community. Personally, I am not enthusiastic about some of the trick shingles that are on the market, and I believe dealers who confine themselves to standard designs or material that can be laid by most any handy man will be ahead at the end of the year as against the dealers who seek business on so called trick shingles or shingles which are difficult to...
